Motor Minus Mounts In Derby Race Today

To lurch over the steering wheels of their engless soap box derby racers today are 13 boys from this area who will be competing in the Chevrolet-sponsored derby eliminations in Arroyo Seco Playground.

The races are free to the public. Entrance to the course is at 52nd street off the Arroyo Seco Freeway, according to Paul Loranger, local Chevrolet dealer.

Torrance-Lomita Realty Board Enters 4th Year

The multiple listing service of the Torrance-Lomita Realty Board will soon start its fourth year of operation while grown from scratch to well over a million dollars of sales per year.

This service was inaugurated in order for the realtors in this area to better serve both the buyer and seller—each member office now has on file, not only his own listings, but those of all the other major offices in this area, and through a reciprocal agreement, has access to multiple listings from the San Pedro Realty Board. The owner, to put his property on the "multiple," selects the realtor or salesman (there are over 90 in the board) in which he has confidence, gives him an exclusive right listing on a special blank furnished by the board. The original of this listing must be turned into the multiple listing secretary within 72 hours. The listings from all the offices are then mimeographed and copies are sent out to all members, as well as to the San Pedro Realty Board office. Any changes, corrections or sale of any listing is quickly bulletined out to all concerned.

Although a multiple listing must be an exclusive right listing, nonmember brokers may sell this property by working through any member. There is no cost to the seller for the listing, and only one commission is paid when the property is sold, as cooperating brokers divide the commission between them.

Racing yesterday were five boys in Class B—11 to 13 years of age. Today's drivers are in Class A—13 to 15 years of age.

All of the racers will be on display in the showroom window of Paul's Chevrolet, 1640 Cabrillo avenue, for the next few days, Loranger said.

Local citizens will have an opportunity of watching the racers in action locally when the 18 boys compete during a derby to be held in September in connection with the Kiwanis Club sponsored Kid's Day.

Finals in the Los Angeles Division, of which Torrance is a part, will be held at the Arroyo Seco course on Saturday. Boys winning today's and yesterday's races will compete at that time for a trip to Akron, Ohio for the national finals.

To race today are the following boys sponsored by local business and professional people who financed the purchase of wheels and braking equipment for the boy's cars:

Bill Cozart, 2245 243rd street, Howard's Jewelers; Pat Jelsma, 2130 Santa Fe, Farmers Insurance; Jim Hussey, 1718 Lincoln, Automatic Printing; Ronald Johnson 2621 Martha, Torrance General Insurance; Donald Johnson, 2621 Martha, Smith Floor Covering; Bob Keith, 24832 Narbonne, Lomita Feed Store; Don Hawks, 2318 West 237th, Lomita News; Ronald Caulkins, 120 Via La Circula, Yeaman Top Shop; James Clouse, 23885 Park, Fundero's Shell Station; Don Iwata, 23870 Ocean, Sueda Bros.; Tommy Cook, 2822 Gramercy, Torrance Herald; Dick Burger, 4976 Woodruff, Paul's Chevrolet; and Donald Bleich, 24225 Ward Street, Torrance Press.

Wage Reports Due July 31

Tuesday, July 31, is the deadline for filing California unemployment insurance wage reports and contribution returns covering the second quarter of the year. E. L. Funder, auditor in charge for the State Department of Employment in Long Beach this week reminded employers.

Penalty and interest charges will be added to the amount of contributions if the report is filed after the deadline. Funder said. In addition, employers who are delinquent in paying their contributions may jeopardize their chances of earning a lower contribution rate for the next year.

Funder also reminded employers that under the California law employer and wage earner contributions are limited to wages of \$3000 paid to an employee by each employer, whereas the Federal Insurance Contributions Act requires contributions on \$3600 of wages. Employers needing assistance
